OUR VISION, COMMITMENT & VALUES

Our Vision

It's not the destination that's important, but the journey that gets you there. That notion represents the spirit of our company. It applies to our customers as well as to our employees. With safety in mind, we focus on innovation and integrity to manufacture windshields that meet the highest quality standards in the industry.

Our Commitment

- To manufacture windshields locally and responsibly
- To offer only Canadian built windshields
- To create a work environment that promotes fairness and respect for all
- To develop windshields that improve comfort during excursions
- To use the best materials to provide style, comfort and durability
- To invest in molding innovations to make the fairings more resistant to the elements
- To minimize our environmental impact

Our Values

- Our employees. Our strength.
- Our relationships. Built on integrity and authenticity.
- Our customers. 100% satisfaction.
